To the Traveling Public

Reports are being generally circulated by inter-
ested parties that no passengers will be carried by
the stage company handling the mails on the route
between Pokégama and Klamath Falls. The same
is being done for the sole purpose of injuring the
stage company, for passengers by the mail wagon
have one-third less staging than by any other line,
the distance between this city and Keno being cov-
ered by a fast and comfortable launch.
